WECLOME ANGIE DO

Angie Do (she/her/hers)

My name is Angie.

I was born in South Korea and spent most part of my young and youth life there prior to my adventure in America.

I am married and we have two daughters. I studied at UIC majoring Health Information Management and am currently employed at NorthShore University Health System as a manager in Health Information Management.

Ever since my kids were young (now, they are 22 and 25), I have been involved in church such as Sunday school and youth group activities. Seeing how pastors and church were working slowly made me interested in church ministry and eventually led me to the Garrett seminary.

Because my passion has always been for children and youth, I chose Christian Education as my major at Garrett. Children are just fun to hang around with and I love their purity and divinity in their action, mind and heart. I believe each child is gifted with a great potential and it is such a joy to find it and help them see and grow with their vision and dream.

With my full-time job, I have been a part time student since 2013, and, in honesty, never imagined I could graduate. My dream is about to come true next year. I will be graduating in May 2022.

As for the church ministry, I have volunteered as both a Sunday school teacher and youth group leader for over 10 years. After I got into the seminary, I served at a Sunday School at a Mongolian church for 2 years from 2013 and then became a pastor over Children's Ministry at Salem Korean United Methodist Church in 2018 and served for one year.

Lastly, I served an English speaking congregation and youth group at Salem for two months during the summer of 2021.

I don't know exactly where I will be drawn to after completing my Christian Education degree. I have a lot of things that I want to do in my mind but will see.

As my last journey at Garrett, God gave me this wonderful opportunity to work at Park Ridge Community Church. I am completely overjoyed, thankful and excited to meet PRCC friends and work with them. I am ready to learn from PRCC and looking forward to a graceful time at PRCC. Thank you, God!

Train children in the right way, and when old, they will not stray.

VOLUNTEER!

VOLUNTEER WALKERS

Volunteers needed to lend an arm to anyone who might need a little support walking across the grass to the tent. We have a few members who find walking across the grass a bit difficult and would appreciate having a supportive presence next to them as they make their way to the worship area under the tent. Some might like an arm to hold on to or help carrying their chair. Others come without chairs so help setting out some chairs is also appreciated. Please contact Liz Swanson or the Church Office if you can help!

JOIN THE USHER TEAM!

If you are a friendly, welcoming person and would like to serve our church, we would love to have you join our Usher team. We presently have openings on all four of our teams. Each team serves on Sundays for three set months of each year. It is rewarding and is a great way to get to know fellow church members. Please see or call Dave Kapolnek (847-529-6845) for more information or to volunteer.

ADULT CHRISTIAN ED

ADULT ED: Tuesday Daytime Bible Study: Disciple II - Into the Word, Into the World

Disciple II invites participants to consider scripture as we get into the Word of God through Scripture and apply it to our lives in the world. We will hear about historical context, explore meanings of the original Hebrew texts and apply the Torah to everyday life. In the first 16 weeks, we will explore Genesis and Exodus, and then in 2022, this study will pick up Luke and Acts as we see how the early church applied these basic teachings that are so foundational to the community of faith. Workbooks are available from the church office for \$20 each and will be used for the entire year. We will meet in the library, OR participants can choose to join over

We will explore scripture, share favorite recipes, and live into the Psalmist's exhortation: "Taste and see that the Lord is good!" Bring your bibles and be ready to dig in!
